William T. "Tim" Hiers

www.PlatinumTE.com

Tim Hiers has more than 30 years of experience in the field of agronomy and golf course maintenance, and he is widely regarded as one of the top agronomists in the U.S. In 2003, Golf Digest ranked Tim as the number two superintendent in the country, and in 2010 he was listed among Golf Inc.'s annual 20 most admired operators.

Three of Tim Heirs' most significant accomplishments in his career include: assisting Collier's Reserve County Club in becoming the first Audubon International Cooperative Signature Sanctuary Golf Course, leading the effort to achieve the designation of first Audubon International Gold Signature Cooperative Sanctuary at The Old Collier Golf Club, and being the first in the continental United States to utilize Platinum TE paspalum turf on the entire golf course.
